

AMIT KAVATHEKAR

FRONT-END DEVELOPER

Pune, Maharashtra | +91 8208815791 | amitkavathekar123@gmail.com | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)

SUMMARY

Frontend Developer skilled in JavaScript (ES6+), React.js, HTML5, CSS3, and Tailwind CSS, with familiarity in TypeScript (learning), and hands-on experience building responsive and user-friendly web applications. Strong understanding of REST API integration, component-based architecture, and UI/UX implementation. Developed projects including a real-time live code editor, Mealawe clone platform, and a personal portfolio website. Engineering graduate transitioning into web development with strong problem-solving, debugging, and clean UI design skills.

WORK EXPERIENCE

Oasis Infobyte (Remote)

- Developed 5+ and optimized multiple front-end projects using **HTML, CSS, JavaScript**.
- Improved website layouts for **mobile, tablet, and desktop**, ensuring cross-device responsiveness
